**All proceeds will benefit the Asturias Academy Library in Guatemala**

The Asturias Academy is a non-profit Pre K-12 school in Guatemala, founded in 1994 to eliminate education disparities through subsidized tuition, and create informed, critically-thinking, socially conscious citizens through its curriculum.

The Academy has partnered with Librarians Without Borders to build a library for its students and the surrounding community in order to foster a love of reading and shift societal attitudes toward literacy and education. Learn more at: <http://lwb-online.org/>
